

DEPLOYMENT HEALTH CLINIC: Processes all military deployers and civilian travel medicine health needs. We assist Guard and Civilian deployers BUT please contact us prior to stopping in.

If a member is tasked to deploy please contact your UDM to receive reporting instructions.

Deployment Cell also offers overseas travel recommendations to all active duty and dependent personnel who are traveling out of the country. This includes any necessary medications and immunizations. Please inquire at least 2 weeks prior to overseas travel.

Pre-deployment:

Must complete DD Form 2795 and be cleared by a medical provider.

Check your Medical Readiness here: <https://asims.afms.mil/imr/MyIMR.aspx>

After you complete your Deployment Health Assessment call (402) 232-5308 to schedule your provider appointment.
